**January 1, 2006**

Heyla, Misty fans!

Happy New Year! I hope 2006 finds you all well. I do hope to get the 2005 messages cleared from my in-box soon. Be patient, if you are waiting to hear from me. Life is more than a little hectic in my household this time of year. (I'm hoping things will slow down a bit in January, so I can catch up.)

Herald Auryn (Amber Taufen) has once again stepped forward to help with the newsletter, so I think it's about time I grant her an official title. Back when Queen's Own was fairly new (about two years old), the very capable Patricia Riggs held, among other titles, the rank of Archivist. The rank was retired when Patricia had to leave the post, but I've decided to revive it for Herald Auryn. So, with great appreciation I bestow upon Herald Auryn the rank of Archivist. A thousand thanks for all of your service to QO, Herald Archivist Auryn!

Last year saw many disasters in the United States and abroad, and members of Queen's Own were out in force to help. I'm very proud of all of you! You really do make this world a better place. Healer Andreil (Angela Sheffer) reports: "I've been volunteering for the red cross since the hurricane. I've found it highly rewarding and recommend it. Volunteers can do anything from hands on disaster relief to on call coverage of the phone. They provide the training. I was unable to go down to the hurricane area as I have asthma, and they were not allowing people with asthma to go, but I do cover the phones after hours 6 days a month, and lead fundraising drives, freeing up other volunteers to go. I was happy to read in the news letters that many QO members are helping as well. Misty fans are great people!" Keep up the great work!

**Publication news:**

After the New Year, look for Misty's latest editing stint, *Mapping the World of Harry Potter*, in January.

Get yourselves an early Valentine's Day present on February 1: *Stoned Souls*, with Josepha Sherman, will be released then.

A publication date change ... the new book about the Five Hundred Kingdoms, *One Good Knight*, will hit shelves in hardcover March 1 instead of in January.

On May 2, Misty's work will appear in *The Dragon Quintet* alongside authors Tanith Lee, Michael Swanwick, Elizabeth Moon and Orson Scott Card. The same day, look for *Sanctuary* (the third in Misty's Joust trilogy) in paperback.

For those who want to plan ahead on summer reading, the final book in Misty's Obsidian Mountain collaboration with James Mallory, *When Darkness Falls*, will be available July 25.

You can purchase these and other titles through the Dragonlords' Bookstore, <http://www.dragonlordsnet.com/bkstore.htm>. Part of every sale goes to support Queen's Own. This is how we keep our memberships free, so we greatly appreciate your patronage.

## **Chapter News:**

Herald Bastian, president of the Vanyel Fan Club, checks in with this exciting news:

"Herald Danya and I were just chatting and realized that there seem to be NO realistic fan art images of Tylendel. How can this be? Such a pivotal character in the entire series, and the only professional image of him is on one book cover, and no realistic fan art images that we can find.

"This MUST be rectified!

"Thus, a contest is in order!

"You have until February 28th to send in your submissions. The finalists will be chosen by Herald Danya and myself and posted on the VFC website for your voting pleasure. The winner receives a \$20 gift certificate to Amazon.com.

“Do not dally! Send us your submissions soon! You may email either myself (Herald Bastian) at [herald\\_bastian@yahoo.com](mailto:herald_bastian@yahoo.com) or Herald Danya at [Legend@malcor.com](mailto:Legend@malcor.com).

“We look forward to seeing the art we know you're capable of!

“Good luck!

“Wind to thy wings,

“Herald Bastian,  
VFC, President”

If you are doing anything of interest to members of Queen's Own, do let me know! We love to hear from you.

If you have a personal ad, chapter ad or fanzine ad in the QO newsletter, please make sure that it's up-to-date. Send any changes to me at [Legend@malcor.com](mailto:Legend@malcor.com).

Best of luck as you start the New Year!

Zhai'helleva,

Herald-Mage Adept Danya Winterborn

## **Local chapters:**

- **Arrows OnLine:** Contact: Adept Grayfeather k'Varis (Kristi Reed). E-mail: DragonMamaK@aol.com. Arrows OnLine is the AOL chapter of QO. Chats will be held the first and third Wednesdays of each month from 8-10 PM ET. Topics will be posted prior to chat, hopefully as soon as a month in advance for book discussions. Although we have the scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author A-Z" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.

## **Zines and Newsletters:**

- **Children of Velgarth:** Editor: Kendra Renaud, P.O. Box 749, Laguna Beach, CA 92652. E-mail: [healermoon@gmail.com](mailto:healermoon@gmail.com). I publish new and old personae, even previously published persona if asked by members in this new, official QO zine. I will only accept what was sent in for your persona to Queen's Own to be recognized. Any fan fiction written later should be sent to one of the other zines who really need it to keep their zines going. This fanzine will be published periodically when it reaches 80 pages or so to keep costs at \$5.00 payable in U.S. funds or 12 IRCs. Make checks payable to "Kendra Renaud". The fee covers the cost of printing and mailing; you may share (but not duplicate!) copies of the fanzine. Watch the Queen's Own newsletter for release dates. Issues 4, 5 and 6 are currently in the editing stages! Each zine will have about 10 personas for a total of 30 personas that have been accepted in the last couple of years. For the contents list for issues 1,2, and 3 and additional information, visit <http://www.dragonlordsnet.com/qozine.htm>.
- **Companions' Grove** still needs stories, and artists to illustrate stories! (Remember, all contributors get a free copy of the zine in which their work appears.) Volume Eight is full, and awaiting the illustrations and final layout. **\*\* If you contributed a story or promised me artwork for Volume Eight and have not heard from me recently, please get in touch with me, as I had to reformat my hard drive and lost my zine correspondence and address book earlier this year. If I don't hear from you by September 2003, I will have to drop your contribution from the zine. \*\*** Volume Nine is open to submissions. Current prices (not including shipping) are:
  - *Companions' Grove Volume One - \$4.75 (40 pages, color cover)*

- *Companions' Grove Volume Two* - \$6.35 (56 pages, color cover)
- *Companions' Grove Volume Three* - \$5.95 (51 pages, color cover)
- *Companions' Grove Volume Four* - \$4.95 (42 pages, color cover)
- *Companions' Grove Volume Five* - \$7.75 (69 pages, color cover)
- *Companions' Grove Volume Six* - \$6.55 (57 pages, color cover)
- *Companions' Grove Volume Seven* - \$5.95 (52 pages, color cover)
- *The Danya Winterborn Saga* - \$5.20 (52 pages, b/w front and back covers)
- *Endgame* - \$3.85(36 pages, b/w cover)
- *Fire Eyes* - \$4.40 (43 pages, b/w cover)
- *Shards of Autumn* – out of print, see note below
- *The Sum of Duty* - \$5.80 (57 pages, b/w cover)
- *Do or Dye: A Guide to Companion Camouflage* - \$1.25 (20 pages, digest size, b/w cover, saddle stapled)
- *Cat's Cradle* - \$7.60 (76 pages, monochrome green cover)

For orders shipping in the US, I've instituted a maximum shipping cost of \$3.85. Multi-zine orders, which can be shipped in a flat rate envelope (usually 3 of the smaller zines, or 2 of the larger zines), will be sent Priority Mail; larger orders will be sent Media Mail Insured, which is only slightly slower and doesn't have the zone rates (which wouldn't work with my shopping cart). Smaller orders will be sent First Class.

I take credit cards via PayPal, which is the cart's only payment option, but the cart can be used to calculate shipping, and checks/money orders mailed to Green Dragon Press, c/o Devin Harris, 4531 N. Kelishan St., Pahrump, NV 89060.

Except as noted, zines are printed on high-quality, bright white paper, comb bound, with cardstock covers. Story excerpts and cover art—as well as submission guidelines and PayPal ordering information—can be found at <http://www.greendragonpress.net/misty.htm>. To order via snail mail, send check or money order (payable to Devin Harris; US funds only) to Green Dragon Press, c/o Devin Harris, 4531 N. Kelishan St., Pahrump, NV 89060.

**Note regarding *Shards of Autumn*:** While this zine is officially out of print and no longer available on the website, a few copies are left over from convention appearances. Any remaining copies from MediaWest will be available at that con until they sell out; the others are being returned to me and will be auctioned off at <http://www.auctionfen.com> until they are gone. I also occasionally auction off zines which returned from cons a bit shopworn, so it's a good site to check periodically.

- ***Herald's Companion*:** Editor: Karen Bertke, 5694 Scarborough Dr., Cincinnati, OH 45238. If anyone has friends stationed overseas for the war, let us know and we'll send them a feezil mascot (to make anything feezilable). E-mail: submission instructions:
  - 1) Subject line must read "For Karen." (Anything else will be erased as a potential virus hazard.)
  - 2) Do not use strange fonts, which my computer will not recognize.
  - 3) E-mail: it to [gbertke@fuse.net](mailto:gbertke@fuse.net). (This is my father's e-mail address. Use it for submissions for *Herald's Companion* only.)

## Collegium News:

We have individual handouts for aspiring Heralds, Healers, Bards, Blues, Mercenaries, Tayledras, Shin'a'in, and White Winds Sorcerers/Sorceresses and instructions on how to work for Herald-Mage status if you are already a Herald or for a Kal'enedral if you are already a Shin'a'in. You can find these handouts online at <http://www.dragonlordsnet.com/qohandouts.htm>.

You need a release form (online at <http://www.dragonlordsnet.com/qomlrel2.htm>) if you write a story set in Misty's worlds or using any of her characters. You do not need a release

for a character sketch, poem or filk. All Misty wants to do is protect her characters and her worlds. Send the release form (you do NOT need to include the story) to Misty c/o High Flight Arts and Letters, P.O. Box 2970, Claremore, OK 74017. Do NOT include the release form with your persona material; send it to Misty. Send a *copy* to us.

All personae materials should be sent to the QO address or submitted by e-mail to [Legend@malcor.com](mailto:Legend@malcor.com) and [healermoon@gmail.com](mailto:healermoon@gmail.com).

We have no new personae to announce this month, but several people are very close to completion. If you were working on a persona who is no longer listed at <http://www.dragonlordsnet.com/qochat.htm> that means we have not heard from you in over a year. To revive your persona, simply message Danya at [Legend@malcor.com](mailto:Legend@malcor.com) and tell her that your persona is in "Deep Storage." She will pull it out for you and reactivate your submission.

If you are a returning member who has recently activated your membership in Queen's Own and we have forgotten to list your welcome message, contact Danya at [Legend@malcor.com](mailto:Legend@malcor.com), and she'll make sure you are greeted in the next newsletter.

### **From Herald-Mage Adept Danya Winterborn:**

The holiday season started out with the long-awaited news that the Hungarian translation of my book, *From Scythia to Camelot*, finally shipped to bookstores. I'll receive my author's copies early next year. I can't wait to see it! The cover looks great!

My eldest son won a ride in a stretch Hummer limo to Chuck E. Cheese's in the fall fundraiser for his school, and I went along as a chaperone. That was an experience! Ever been in one of those things? A fake

fireplace, a starfield on the ceiling, several panels of lightning-globe effects (where the spark patterns will track to your finger if you touch them), flashing floor panels worthy of a discotheque, stereo system . . . What do the kids complain about? No DVD player <g>! I was the only adult who didn't fall victim to sensory overload. Perhaps having three kids and assorted friends keeping my home in a state of perpetual motion and cacophony has desensitized me to most levels of chaos <g>.

We've taken several trips to Disneyland to see the holiday decorations and lights. At night there's a particularly spectacular light show at Small World. During the day we had fun decorating cookies with Mrs. Claus and joining several Disney characters in a Christmas Hoe-Down.

If you haven't seen *Chronicles of Narnia* yet, go immediately! This is a wonderful version, which is very close to the book. My kids are bugging me to take them again; I hope I can find the time (and cash!) to do so. It's well worth it.

I'm hoping to get a bit more published in the coming year, but I don't take bets <g>. I have four books and numerous other projects in the works. It would be nice to see a few of them get finished—especially the newsletter coding project for QO! Perhaps when all three kids get back in school I'll have some time for that. Yet I'm chairing the Carnival Committee for my eldest son's school (I'm also doing a haunted house for them in June.), so that will likely eat up much of my writing time. I do hope to get my offline writing group started again. If you're in Southern California and are interested, do let me know.

I hope you all have a wonderful 2006! Happy New Year!

Zhai'helleva,

Danya

## **Personals:**

- ❖ **From Aurora Nelson:** Heyla! Rea Wildfire (aka Aurora Nelson) is looking to contact her penpals old and new. If you remember her or would like to say, "hi," please contact her at [Evillurking@gmail.com](mailto:Evillurking@gmail.com).
- ❖ **From Cliff Hunter:** I'm looking for a penpal I used to know through QO. Her name is Dara Murphy. Anyone with information

about how I can contact her, please e-mail me at [DeathrockCliffy@aol.com](mailto:DeathrockCliffy@aol.com).

- ❖ **From Jennifer M. Mackay-Galicia (Herald Mallea D'Lar):** I have a new email address: [mackayjenn@yahoo.com](mailto:mackayjenn@yahoo.com)! SNAIL MAIL: PO BOX 66408, Portland, OR 97290. If you like to read, I'm your girl. Just give me a book and a quiet nook--I'm happy! Misty, Tad Williams, J.R.R. Tolkien, Mindy Klasky (Glasswright series), DragonLance (the M. Weiss/T. Hickman original books and new), SF Classics like H.G. Wells, George Orwell, ect., ect. I'm about to sink my teeth into David Eddings on my sister's recommendations. I just finished watching SEVEN seasons of Buffy the Vampire Slayer. That was fun! I've gone through all NINE years of The X-Files. I'm a huge X-Files fanatic. (Did I forget to mention my love affair with box sets on DVD?) I'm a fan of every Star Trek show made, Star Wars, Battlestar Galactica (got my box set), Babylon 5, Quantum Leap, and just about anything else that grabs my attention. If you wish you could take a trip to the moon, or just get out of Mundania for awhile, please feel free to drop me a line!
  
- ❖ **From Ellen Million:** Not only is Ellen Million Graphics still around (ten years last October!), but I now offer an array of gorgeous new work by new artists, on many new products (including t-shirts!) and a brand new character portrait service. Ordering is available on-line or by snail mail: <http://www.ellenmilliongraphics.com>. I'd also love to get back in touch with lost penpals! (Use the contact form on the website to avoid death-by-spam-filters!)
  
- ❖ **TO EVERYONE who enjoys Misty's world and the vast realm of fantasy in general . . .** ANGELA K. SCOTT CREATIONS is still around! You may remember my humble business from past QO (snail-mailed) newsletters. I sell fantasy & M. Lackey-related stationery and bookmarks; Heralds, Shin'a'in, faeries, unicorns, magic, and more! I now offer cards (in packs) with 22 fantasy & scifi designs to choose from, as well a special line of cat-angel cards I call my "Furry Angel Series". I do commissioned artwork as well- please contact me for further details. Gift Certificates are available as well! I am still relatively new to owning a computer & setting up a system (need a scanner!), so I do not have an online version of my 'business'. I'm working on having my merchandise booklet up on my homepage or some way to view merchandise & order info, etc. I know "snail-mail" is a foreign concept to some people, though I still enjoy communicating this way, BUT if you'd like to receive my 6+ page merchandise booklet please contact me:

Angela K. Scott-Gosnell, 217 Spear Drive, Fort Bragg, NC 28307.  
**\*PLEASE enclose SASE**, which is a stamped envelope with your address on it. I will get the requested booklet mailed back to you ASAP! Thanks to all of my past and current customers, and hope to hear from you!

- ❖ **From White Winds Sorceress Cime Shadow Weaver. To All.** Shadows of Goddess is now an online store. I offer a free pouch with every purchase to Queen's Own members. Be sure to tell me you are though. :) I offer new items weekly. The URL is <http://www.ebaystores.com/shadowsofthegoddess>. My e-mail address is [cimeshadow@aol.com](mailto:cimeshadow@aol.com).
- ❖ **From Herald-Mage Danya. To: All. Re: Cookbook.** Our version of a Misty-related cookbook is still in progress. We are compiling a cookbook based on meals that Misty describes in the Velgarth series. If anyone is currently reading the books, could you note the book and page any food items are mentioned on and send them to me at [Legend@malcor.com](mailto:Legend@malcor.com)? (We've been pulling some information from *The Valdemar Companion*, and we're getting quite a nice little list!) Thanks!
