## ACKNOWLEDGEMENTS

This book would not have been possible without the support of Dr Sam Hickey and Professor Richard Jackson, both of whom provided much insight and wisdom, and were a constant source of encouragement. Thank you also to Professor Bertrand Taithe, Professor Peter Gatrell, Professor Brian Job and Professor Ken Carty for their support of this project at various stages of the process. For the humour and respite over the last several years my thanks to Nyron Ali, Dr Jennifer Carson, Nicole Hand, Dr George Holmes, Dr Kirsten Howarth, Dr Rubina Jasani, Karen McKibbin, Mo and Tara Rafiq, Ellie Sandercock, Dr Allesandra Santos, Dr Katie Scholfield and Dr Torrey Shanks. An extra special thank you to my partner, Dr Neil Armitage, for getting me through the final and most exhausting stages. I would also like to thank my editors at MUP for their ongoing support and advice. For keeping me strong, thank you to Joe Teal. A big thanks to John Clayton and all of those who facilitated my research in Kosovo and a special thanks to the Krasniqi family who graciously took me into their home. Finally, to my parents, brother and sister-in-law who have supported me and humoured me when the process became too much, thank you.
